HELLO

Objective

- It's a website to connect home owners and tenants
- Easing problems of house renting
- Easing communication between owner and tenant

Features

- Separate log in options :
 - As house owner &
 - As tenant
- Bill Payment System
- Notification System

House Owners

- Can post rent advertisement
- Communicate with interested party and tenants

House Owners

- Can notify tenants about bill payments (gas, electricity, water rents)
- Can collect bills through website
- Can notify about other important information

Tenants

- Can find available renting house in the area
- Easily contact with owners & set deals

Tenants

- Can inform house owner about all sorts of problem
- Can easily pay bills through website

Thank You
